## PLEASE CARRY ALEXANDER GOURMET

Alexander Gourmet is a specialty food company that specializes in gourmet beef strips—just think jerky’s tastier and more refined European cousin! The strips are moist and flavorful, gluten and nitrate free.

I am a long-time customer and would love to purchase Alexander Gourmet Foods locally. With your fine selection of foods, Alexander Gourmet would be a natural fit for your store. Thank you for considering carrying Alexander Gourmet.

### **WE WOULD LOVE TO HEAR FROM YOU!**
